## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
Ronald McDonald House Charities of Southwest Florida, Inc.

We have audited the accompanying financial statements of Ronald McDonald House Charities of Southwest Florida, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors of  
Ronald McDonald House Charities of Southwest Florida, Inc.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ronald McDonald House Charities of Southwest Florida, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

RONALD McDONALD HOUSE CHARITIES OF SOUTHWEST FLORIDA, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015 AND 2014

**NOTE 1 - THE ORGANIZATION**

Ronald McDonald House Charities of Southwest Florida, Inc. (the “Organization”) is a not-for-profit corporation organized on September 23, 2003. The mission of the Organization is to provide temporary housing for seriously ill children and their families while the children are receiving treatment at nearby hospitals and to make grants to other nonprofit organizations for the benefit of children in and around the local area.

**NOTE 2 - DATE OF MANAGEMENT’S REVIEW**

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 18, 2016, the date that the financial statements were available to be issued.

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Organization’s financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this method of accounting, revenues are recognized when earned and expenses are recognized when incurred.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Investments

Investments in equity securities and mutual funds with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Fair value of mutual funds with a community foundation and with significant unobservable inputs is based on the allocation of the Organization’s investment in their agency endowment fund. Realized and unrealized gains and losses are included in the change in net assets in the statement of activities. Gains or losses on securities sold are based on the specific identification method.

Accounts Receivable

All receivables are considered collectible; therefore no allowance for uncollectible accounts has been recorded. Expense is recognized during the period in which a specific account is determined to be uncollectible. There was no bad debt expense for the years ended December 31, 2015 or 2014.

Contributed Services and Materials

Contributed services and materials are recorded as contributions in the accompanying financial statements at their estimated current value on the date of receipt. Contributions of services are recognized only if services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by the individual possessing those skills, and would typically be purchased if not provided by donation. For the years ended December 31, 2015 and 2014, the value of contributed services has not been recorded in the financial statements. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization.

RONALD McDONALD HOUSE CHARITIES OF SOUTHWEST FLORIDA, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015 AND 2014

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Property and Equipment

Property and equipment are recorded at cost. Donated assets are recorded at their fair market value at the time of donation. Additions and major renewals in excess of \$500 are capitalized. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets. The cost of maintenance and repairs is charged to operations as incurred. See Note 7 for additional information.

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An impairment charge is recognized when the fair market value of the asset is less than the carrying value.

Income Taxes

Management has analyzed its various federal filing positions and believes that the Organization's income tax filing positions and deductions are well documented, supported and contain no uncertain tax positions. Additionally, management believes that no accruals for tax liabilities, interest or penalties are required. Therefore, no reserves for uncertain income tax positions have been recorded. Further, no interest or penalties have been included since no reserves were recorded. When applicable, such interest and penalties will be reported as income tax expense. The Association's federal income tax returns remain subject to examination by the Internal Revenue Service for three years from the date of filing.

The Organization has been granted a ruling that it is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code"). The Organization is a non-profit Florida corporation, and therefore, is not subject to state income taxes. Accordingly, no provision for income taxes has been made. The Organization is not considered a private foundation within the meaning of Section 509(a) of the Code.

Compensated Absences

The Organization accumulates and records a liability for compensated absences accrued by employees. Unused leave as of December 31, 2015 and 2014, has been accrued as a liability in the amount of \$12,171 and \$9,162, respectively, and is included in accounts payable and accrued expenses.

Fair Value of Financial Instruments

Substantially all of the Organization's assets and liabilities, excluding prepaid expenses, property and equipment and deferred revenue, are considered financial instruments. These assets and liabilities are reflected at fair value, or at carrying amounts that approximate fair value because of the short maturity of the instrument. Investments are valued based on the classification as further described in the investment policy above.

Revenues and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

RONALD McDONALD HOUSE CHARITIES OF SOUTHWEST FLORIDA, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015 AND 2014

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Revenues and Support (Continued)

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash Flows

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents, excluding certificates of deposit.

The Organization made no cash payments for income tax or interest during the years ended December 31, 2015 or 2014.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on a time study of employee duties and utilization of the facility.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain amounts in the prior year presentation have been reclassified to conform to the current year presentation.

**NOTE 4 - CONCENTRATION OF CREDIT RISK**

The Organization maintains cash balances and certificates of deposit at various financial institutions. Accounts and certificates of deposit at each institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per institution. As of December 31, 2015 and 2014, there were no uninsured balances, based on the bank statement balances, less the FDIC insurance. Cash balances and cash equivalents at investment services companies totaling \$1,605 and \$209,126, as of December 31, 2015 and 2014, respectively, are not insured by the FDIC.
