INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Ronald McDonald House Charities of Southwest Florida, Inc.  
Fort Myers, Florida

**Opinion**

We have audited the accompanying financial statements of Ronald McDonald House Charities of Southwest Florida, Inc. (a not-for-profit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ronald McDonald House Charities of Southwest Florida, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ronald McDonald House Charities of Southwest Florida, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of Southwest Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

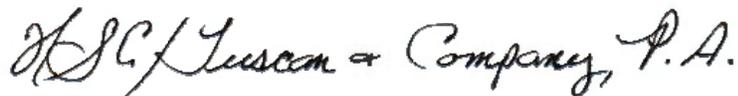

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ronald McDonald House Charities of Southwest Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of Southwest Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements  
December 31, 2024 and 2023

## **NOTE A – THE ORGANIZATION**

Ronald McDonald House Charities of Southwest Florida, Inc. (the "Organization") is a Florida not-for-profit corporation organized on September 23, 2003. The mission of the Organization is to create, find and support programs that directly impact the health and well-being of children and their families in the five county region we serve. The mission is fulfilled through operation of sustainable programs including the Ronald McDonald House located in Fort Myers that provides a “home away from home” for families with children undergoing medical treatment at Golisano Children’s Hospital; the Ronald McDonald Family Room located at the children’s hospital provides families of hospitalized children a space to rest and regroup while being near their child’s bedside; and the Ronald McDonald Care Mobile units provide medical and dental screenings, treatment and sealants to underserved areas as well as monthly autism screenings.

## **NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and are presented on the basis of net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are created only by donor-imposed restrictions on their use. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. All other net assets, including board-designated or appropriated amounts, are net assets without donor restrictions and are reported as part of the net assets without donor restriction class.

### Measure of Operations

The statements of activities report all changes in net assets, including changes in net assets from operating and nonoperating activities. Nonoperating activities is limited to net investment return and the House Expansion project. Operating activities consist of all other activities of the Organization.

### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### Accounts Receivable and Promises to Give

Accounts receivable and promises to give consists of amounts owed by donors and partners and are stated at the amount management expects to be collected from the outstanding balance. All receivables are considered fully collectible, therefore, no allowance for credit losses has been recorded. The expense related to uncollectible accounts is recognized in the period in which a specific account is determined to be uncollectible. There was no bad debt expense or loss on uncollectible promises to give for the years ended December 31, 2024 and 2023. All accounts receivables are expected to be received within one year. Promises to give expected to be received over one year are not discounted for the present value of future cash flows as the amount was determined to be immaterial. Promises to give are expected to be received within the next one and two years as of December 31, 2024 and 2023, respectively.

RONALD MCDONALD HOUSE CHARITIES OF SOUTHWEST FLORIDA, INC.

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. Realized and unrealized gains and losses and income are included in the statements of activities as net investment return. The Organization's investments are professionally managed by FineMark National Bank & Trust.

The Southwest Florida Community Foundation maintains an agency endowment (the "Ronald McDonald House Charities of Southwest Florida Fund") for the benefit of the Organization. The Organization's beneficial interest in assets held by others is carried at fair value. The Organization has granted the Foundation variance power which gives the Foundation's Board of Directors the power to use the Fund for other purposes in certain circumstances. The Fund is subject to the Foundation's investment and spending policies.

Investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Property and Equipment

Property and equipment are recorded at cost, or if donated, at fair value at the time of donation. Additions and major renewals in excess of \$5,000 are capitalized. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets. The cost of maintenance and repairs is expensed as incurred.

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An impairment loss is recognized when the fair value of the asset is less than the carrying value. There were no impairment losses recognized in 2024 or 2023.

Deferred Revenue

Income from sponsorships received in advance of future special events, which the resource provider is receiving commensurate value in return or a right of return exists if the event does not occur, is deferred and recognized over the periods to which the sponsorships relate.

Net Assets

The Organization's net assets and changes therein are classified and reported as net assets without and with donor restrictions. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

RONALD MCDONALD HOUSE CHARITIES OF SOUTHWEST FLORIDA, INC.

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Revenue Recognition

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Contributions are recognized as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

The Organization records special events revenue including sponsorships and ticket sales when the event takes place.

Donated Services and Contributions of Nonfinancial Assets

Contributions of nonfinancial assets are recorded at fair value on the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Total contributions of nonfinancial assets received for the years ended December 31, 2024 and 2023, are as follows:

Type	Program	Valuation	2024	2023
Gift cards	Travel Assistance	Face value	\$ 600	\$ 800
Food/groceries	Family Meals	Average Cost per Meal	80,550	74,475
Supplies	House	Comparable market pricing	4,240	5,250
Auction items	Special Event	Comparable market pricing	46,700	42,440
Event supplies	Special Event	Comparable market pricing	3,352	17,768
Total			<u>\$ 135,442</u>	<u>\$ 140,733</u>

Donations of services are recognized as contributions only if services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by the individual possessing those skills, and would typically be purchased if not provided by donation.

Total donated services received for the years ended December 31, 2024 and 2023, are as follows:

Type	Program	Valuation	2024	2023
Grounds services	House	Standard rates	\$ 9,830	\$ 9,457
Total			<u>\$ 9,830</u>	<u>\$ 9,457</u>

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Donated Services and Contributions of Nonfinancial Assets

The Organization also receives significant contributions of time from volunteers in furtherance of the mission of the Organization that are not recorded in the financial statements as they do not meet the criteria for recognition under GAAP. During the year ended December 31, 2024, a total of 10,290 hours of service were provided by 1,608 volunteer shifts. During the year ended December 31, 2023, a total of 6,886 hours of service were provided by 2,067 volunteer shifts. These volunteer services are valued at approximately \$279,888 and \$187,299 for the years ended December 31, 2024 and 2023, respectively, based on an estimate wage rate of \$27 per hour. The wage rate for 2024 and 2023 is based on a published report from a national membership organization that estimates the value of a volunteer hour.

Functional Expenses

The statements of functional expenses report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include: depreciation, insurance, interest, maintenance and repairs, and utilities, which are allocated on a square footage basis; payroll, benefits and payroll taxes are allocated on the basis of estimated time and effort; payroll taxes, and office supplies, technology and telephone are allocated based on the average of the personnel allocation described above.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code") as well as exempt from state income taxes as the Organization is a not-for-profit Florida corporation. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. The Organization does not have unrelated business income for the years ended December 31, 2024 and 2023. Accordingly, no provision for income taxes has been made. The Organization is not considered a private foundation within the meaning of Section 509(a) of the Code.

Management has evaluated its tax positions and believes that all positions taken are well documented and supported and there are no uncertain tax positions that are material to the financial statements. Therefore, no provision for uncertain tax positions has been recorded.

Cash Flows

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

The Organization made no cash payments for income tax or interest during the years ended December 31, 2024 and 2023.

Reclassification

Certain reclassifications have been made to the 2023 financial statement presentation to correspond to the current year’s format. Net assets and changes in net assets are unchanged due to these reclassifications.

Date of Management’s Review

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 31, 2025, the date that the financial statements were available to be issued.

**NOTE C – LIQUIDITY AND AVAILABILITY**

The following represents the Organization’s financial assets at December 31, 2024 and 2023:

Financial assets available to meet cash needs for operating expenditures within one year	<u>\$ 5,145,921</u>	<u>\$ 4,786,211</u>

The Organization strives to maintain liquid assets in the form of cash targeted to cover 12 months of normal expenditures. Deposit accounts are maintained in several federally insured institutions. Balances are monitored and redistributed to ensure cash balances do not exceed the FDIC insured level of \$250,000 at a single institution. Liquid assets in excess of this 12-month level are maintained in an investment account which is managed and reviewed in accordance with board policy.

A review of the investment policy and objectives is undertaken no less frequently than annually in conjunction with the review of the Organization’s financial condition and circumstances. The governing board has designated, from net assets without donor restrictions, net assets for capital reserves totaling \$301,455 as of December 31, 2024 and 2023, and \$25,000 for an emergency hardship fund as of December 31, 2024 and 2023.

**NOTE E – FAIR VALUE MEASUREMENTS**

In determining fair value, the Organization uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability. A hierarchy for inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Levels within the hierarchy are based on the reliability of inputs as follows:

*Level 1* – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

*Level 2* – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

*Level 3* – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation techniques and related inputs.

Equity securities – Valued at the closing price reported on the active market on which the individual securities are traded.

Debt securities – Valued using observable inputs such as the bond’s par value, maturity dates, and related interest and discount rates as well as quoted prices for similar assets.

**NOTE E – FAIR VALUE MEASUREMENTS (continued)**

*Beneficial Interest in Assets Held by Others* – Valued at the fair value of the Organization’s share of the investment pool held by a Foundation as of the measurement date. The underlying investments held by a Foundation are valued with readily available prices or valued using net asset value of shares held that have a readily available market value.

The fair values of assets measured on a recurring basis are as follows:

**NOTE I – LICENSING AGREEMENT**

The Organization entered into an agreement with McDonald's Corporation (the "Corporation") on December 8, 2003 to obtain a license to use the trademarks and copyrights of the Corporation for the purpose of raising funds from public and private sources and making grants to other not-for-profit organizations for the benefit of children in the local area. The term of the license shall continue until terminated by either party, with or without cause, upon 30 days' written notice. The annual fee due under the license is \$1.

Under the terms of the license, the Organization is required to remit to RMHC Global 25% of contributions received through local McDonald's restaurants as a result of national fundraising campaigns. For the years ended December 31, 2024 and 2023, the collections from national fundraising campaigns were deposited directly to RMHC Global and the net contribution was provided to the Organization. The amount received was recorded as contributions in the statement of activities.

**NOTE J – COMMITMENTS**

The Organization has an agreement with RMHC Global and Healthcare Network of Southwest Florida ("HCNSWFL") for the support of the Ronald McDonald Care Mobile (the "Care Mobile"). Under the terms of the agreement, the Organization will contribute an amount equal to the lesser of 20% of the annual expenses incurred by HCNSWFL in operating the Care Mobile or \$120,000. During the years ended December 31, 2024 and 2023, \$71,024 and \$100,401, respectively, was contributed to the Care Mobile and is included in grants in the statement of functional expenses. The agreement will terminate upon either the termination of the licensing agreement for the Care Mobile between HCNSWFL and RMHC Global or the termination of the agreement between the Organization and RMHC Global.

The Organization has an agreement with RMHC Global and Family Health Center of Southwest Florida, Inc. (FHCSWFL) for the support of a second Ronald McDonald Care Mobile (the "Care Mobile II") which began operating in January 2018. The initial term of the agreement is five years with automatic consecutive five-year renewal terms and may be terminated with a 90-day written notice by the Organization, FHCSWFL or RHMC Global. Under the terms of the agreement, the Organization will contribute an amount equal to 20% of the annual expenses incurred by FHCSWFL in operating the Care Mobile II.
