Fore!

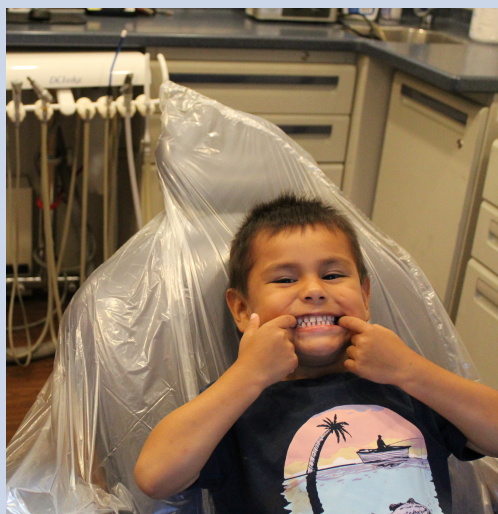

Join us on Friday, December 8, 2023, at the beautiful Fiddlesticks Golf & Country Club in Fort Myers for a friendly golfing competition to support the Ronald McDonald House Charities® of Southwest Florida Care Mobile Program. One of Florida's premier private golf courses, Fiddlesticks offers an outstanding experience. You will enjoy great golf, good food, socializing, and all-around fun. An added benefit at no additional charge: each foursome will enjoy the expertise of a PGA/LPGA teaching professional that will offer tips to improve your game!

Activities

Arrive at 7:00 a.m. for registration and breakfast. Then, let the golfing begin! Lunch and a celebration of the winners will follow the tournament's completion with departure by mid-afternoon.

The Need in SWFL is Real

Lack of dental visits can contribute to many health issues including oral diseases, pain, infection, and tooth loss. *The need in SWFL is real.* For example, in 2018, out of all the children treated on the Ronald McDonald Care Mobile in Lee County, 85% lived at or below the established Federal Poverty Level. Additionally, 31% of the children were uninsured, 65% were insured by Medicaid, and only 5% were covered by private insurance. The solution? Our two mobile offices provide thousands of children with regular dental care. Philanthropic support and our clinical partnerships allow us to offer dental services free-of-charge. Without RMHC SWFL and our partners, many children in our community simply would not have access to quality dental care.
